# WHO WE ARE?

---

UPP Cosmetic Division

Founded in 2019

Regd. Office: B-161 , DDA Sheds, Okhla  
Industrial Area, New Delhi

UPP Cosmetic Division has built a strong reputation in the cosmetic industry in the last few years. Our company has developed dramatically through continuous innovation and is one of the most proven leaders in cosmetic manufacturing. We manufacture only the finest cosmetic products of the highest quality anywhere in the international marketplace. Our expert cosmetic chemists and state-of-the-art cosmetic production facilities ensure our products meet the highest quality standards.

Every day our creative team researches and develops new products for you to ensure you can always find something new and exciting. It is our reputation for consistently high quality products, which are created from only the finest ingredients, and also combining natural ingredients with newly discovered compounds. The highly trained chemists on our team are always experimenting with the latest cosmetic formulations to meet the needs of an ever-changing market.

As a cosmetic company, we do not test our products on animals. Our rapid success has been attributed to the devotion, commitment to quality, employee loyalty, and good old-fashioned hard work of our team. Since we dedicate extensive research, development, and unwavering dedication to continual product development, we enjoy an ever-increasing share of the cosmetic market.

As India's leading manufacturer of private label cosmetics, we are renowned for offering innovative and prestigious products. In assisting your business ideas and concepts to come to fruition and to be successfully marketed, we understand that every business is unique. We can help you create a custom design product for your range, select the right products, colours, and formulations.

A successful line requires flexibility - that's why we offer a wide range of products that are tailored to your target market and business. With a highly trained team of cosmetic chemists, we can formulate products to suit and extend your product range, from skin, hair and self-care. There is no limit to what you can imagine. Our products are guaranteed to be of the highest quality. We use only the finest natural ingredients in our state of the art production facilities so we can handle large volumes while catering to smaller individual requests. Natural ingredients combined with newly discovered compounds make our products truly unique.

Our goal is to help you develop your own brand of Private Label Cosmetics with our personalized service, we guide you through developing your own brand from our extensive product line.

## WHY UPP COSMETICS

# PRIVATE LABELLING

---

Private label manufacturing is offered by UPP Cosmetic Division, offering advanced solutions for skincare, haircare, and self care products. We manufacture herbal and natural skincare, haircare, and personal care products with customized packaging according to your requirements. Our products are manufactured under strict regulations and under expert supervision. As your private labeling partner, our team offers guidance on how to create the ultimate product range for your clients.

The following are some of our key services:

1. Machine-based labeling
2. Packing bottles in a variety of designs
3. Labels and cartoons tailored to your needs
4. Inspection and packing of quality processes
5. Custom-printed tubes and jars
6. Embossing of leaves upon request
